SUMMARY

Motivated Electronics and Communication Engineering student with strong skills in HTML, CSS, JavaScript, Python, and AI & ML. Hands-on experience in AI-based projects including chatbot development and CNN-based image classification using TensorFlow. Completed an AI & Data Analytics internship under the AICTE–Edunet program with exposure to real-world sustainability applications. Seeking an entry-level role to apply technical and analytical skills in a growth-oriented organization.

WORK EXPERIENCE

Edunet Foundation | AICTE | IBM SkillsBuild **Jan 2026 – Feb 2026**

- Developed ML models using Python.
- Performed data preprocessing & model evaluation.
- Used Python, Pandas, Scikit-learn, TensorFlow.

Microsoft Elevate | AICTE **Jan 2026 – Feb 2026**

- Learned Azure cloud fundamentals.
- Completed hands-on training.
- Gained knowledge of cloud computing.

Edunet Foundation | AICTE | Shell India **Oct 2025 - Nov 2025**

- Analyzed data using Python & Pandas.
- Performed data cleaning and visualization.
- Built basic AI/Data Analytics solutions.

PROJECT

Food Ordering Chatbot

- Built an interactive Food Ordering Chatbot using Python, Gradio, and Pandas to automate menu selection, quantity input, and order confirmation with a user-friendly interface.

Solar Energy Image Classifier

- Built a CNN-based Solar Panel Image Classifier using TensorFlow and Google Colab to detect panel conditions from images. Applied image preprocessing and augmentation to achieve reliable prediction accuracy for renewable energy monitoring.

EDUCATION

2023-2027

Excel Engineering College , Namakkal

Electronics And Communication Engineering

CGPA : 8.8

ADDITIONAL INFORMATION

- **Technical Skills:** HTML, CSS, JavaScript, Python, AI&ML (Basics), Google Colab
- **Languages:** Tamil , English
- **Certifications:** TCS ION Career Edge -Young Professional
- **Awards/Activities:** Certificate of Merit at the National Level Road Safety Hackathon 2025 (UYIR) and participant in Horizon 8 – Predictive Load Management for Power Grid, organized by Excel Engineering College (Autonomous) with TANSAM, June 2025.
