CAREER OBJECTIVE

A proactive and goal-oriented graduate seeking an entry-level position to apply technical skills, contribute to organizational success, and enhance professional expertise in a dynamic work environment.

ACADEMIC QUALLIFICATION

B.E (Computer Science and Engineering) 2023-2027

Muthayammal Engineering College (Autonomous), Rasipuram, Anna University.

CGPA :8.32

HSC 2023

Model School, Mallur, Salem / State Board.

88%

SSLC 2021

Model School, Mallur, Salem / State Board.

100%

PROFESSIONAL PROFICIENCY

Technical Skills : Java

Scripting Languages : HTML, CSS, JavaScript

Database : MySQL

Tools : Visual Studio Code, Eclipse, GitHub

INTERNSHIP

Java Development - Training Trains Software Technology and Solutions, Erode (June-July 2025).

- Developed Java programs using **Core Java, Object-Oriented Programming, and problem-solving techniques**.
- Applied **encapsulation, inheritance, polymorphism, and abstraction** to build structured applications.
- Implemented **exception handling, control statements, and data structures** for efficient program execution.
- Practiced debugging and optimized code quality through logical programming approaches

MINI PROJECTS

Title : Multi User Banking System

Objective : Built a Java-based console banking system supporting multiple users with features like deposit, withdrawal, and balance checking operations.

Technologies : Core Java and OOP concepts

CERTIFICATIONS

- Earned **NPTEL Elite Certifications** in **Electronic Waste Management – Issues and Challenges, Distributed Systems, and Edge Computing**, demonstrating knowledge in sustainability, distributed systems, and emerging computing technologies
- Presented and participated in Muthayammal Engineering College on the topic of **Quantum Computing and Cryptography**.
- Obtained **Hacker Rank Java (Basic)** Certification by successfully clearing the skill assessment, reflecting hands-on knowledge of Java fundamentals and logical programming skills.

ADDITIONAL QUALIFICATION

- English Typewriting – Junior Grade (30 WPM), First Class Distinction.
- Completed **Diploma in Computer and Office Management (DCM) with Distinction**, gaining practical knowledge in computer applications, MS Office tools, and office automation.

WORKSHOPS

- Participated in a workshop on **Emerging Cyber Security Trends** conducted at KSR Engineering College, Tiruchengode (September 2024).

PERSONAL DETAILS

Father's Name : Mr. V. Gunasekaran

Mother's Name : Mrs. G. Sasikala

Blood Group : B+ ve

Date of Birth : 06/01/2006

DECLARATION

I hereby declare that the information provided above is accurate and complete to the best of my knowledge and belief.
