PROFESSIONAL SUMMARY

Final-year B.Tech Artificial Intelligence and Data Science student focused on UI/UX design, frontend development, and visual storytelling. Skilled in translating user needs into clean, functional interfaces using Figma, with experience in graphic design and video editing to communicate ideas visually. Actively exploring AI-assisted design-to-code workflows to move faster from concept to working interface.

TECHNICAL SKILLS

UI/UX Design: Figma, UI Design, UX Design, Web Design, Mobile App Design, User-Centered Design

Graphic Design: Adobe Photoshop, Adobe Illustrator

Video Editing & Motion: Adobe Premiere Pro, Adobe After Effects

AI-Assisted Design-to-Code: Claude, Antigravity, and other AI-assisted development tools for converting Figma designs into source code

INTERNSHIP EXPERIENCE

AI Intern — Gozler Tech Pvt Ltd *15 Days*

- Gained hands-on exposure to core AI concepts and tools, supporting basic experimentation with AI-assisted workflows under the guidance of the mentoring team.
- Practiced using AI-assisted tools and simple prompt-based workflows to understand practical use cases, supporting basic experimentation and documentation.
- Built a foundational understanding of AI concepts and collaborative problem-solving within a fast-paced environment.

PROJECTS

College Management System

- Contributed to a college management system application designed to support student, faculty, and academic record management within an institutional setting.
- Applied user-centered design thinking to the interface, focusing on clarity and ease of navigation for end users such as students and faculty.
- Collaborated with teammates on structuring the application's functional flow and refining its usability.

EDUCATION

B.Tech, Artificial Intelligence and Data Science — Sengunthar Engineering College, Anna University *Final Year*

CGPA: 8.0 / 80%

12th (HSC) — Sathiya Saai Mat Hr Sec School, Pasar

Percentage: 79.83%

CERTIFICATIONS

- Google Certification in UX Design
- Web and Mobile Designer — UI/UX Figma
- Adobe Illustrator CC — Essential Training Course

PROFESSIONAL DEVELOPMENT

- Participated in several UI/UX design workshops, strengthening practical design and prototyping skills.
- Building a multidisciplinary skill set spanning UI/UX design, frontend development, graphic design, and video editing.
- Exploring AI-assisted design-to-code workflows to bridge design and development.

SOFT SKILLS

Creative Problem Solving • Visual Communication • User-Centered Thinking • Attention to Detail • Design Thinking • Collaboration • Adaptability

LANGUAGES

Tamil, English

INTERESTS

Long-term interest in creative entrepreneurship — building a design-focused startup/studio centered on UI/UX design, graphic design, and video editing.
