SARAVANAN R

Java Full Stack Developer

- 9361449982 | ✉saravananranganathan08@gmail.com | ■ India

PROFESSIONAL SUMMARY

- Aspiring Java Full Stack Developer with strong knowledge of Core Java, JDBC, SQL and Web technologies.
- Skilled in developing Java applications, database connectivity, debugging enterprise systems.
- Good Understanding of Object-Oriented Programming (OOP), backend development and application of performance optimization.
- Seeking an entry-level Java Developer role to design, develop and maintain scalable web applications.

TECHNICAL SKILLS

Programming Languages: Java, SQL

Backend Technologies: Core Java, JDBC, Servlets

Frontend Technologies: HTML5, CSS3, JavaScript

Database: MySQL

Core Concepts: OOPS, Exception Handling

Tools & Platforms: Eclipse IDE, Windows

PROJECTS

Java Calculator Application | Java, JDBC, MySQL

- Developed Java based Calculator application arithmetic operations using modular and maintainable code structure.
- Implemented JDBC for database connectivity and stored calculation history in MySQL.
- Applied input validation and exception handling improve reliability and reduce run time errors.

Personal Portfolio Website

- Designed and developed a responsive portfolio website to show case projects and technical skills.
- Implemented structured layout and responsive design for across-device compatibility.

PROFESSIONAL EXPERIENCE

Technical Support Trainee – Satvat Infosol Private Limited

May 2023 – June 2025

- Monitored servers, networks and storage systems to ensure high system availability.
- Troubleshoot application and performance issues, minimizing downtime improving efficiency.
- Assisted in Software installations, updates and system maintenance activities.

EDUCATION

Bachelor of Engineering – Electronics and Communication Engineering

Sengunthar Engineering College | 2023

CERTIFICATES

Completed Java Full Stack Development Course at QSpiders, Chrompet (July 2025 to May 2026)
